

Table Tennis Ladder

- The ladder is a table of Table Tennis champions. The player at the top of the ladder is the current Table Tennis champion and deserves the respect and adoration of their peers.
- When a lower ranking player (A) beats a higher ranking player (B), A takes the position of player B. Player B drops one position. All players between A and B, are shunted down 1 position.
- When a losing player was not previously represented on the ladder they are added to the bottom
- When a winning player and a losing player were not previously represented on the ladder they are added to the bottom of the leaderboard with the winner ahead of the loser.
